

BOOST BALANCE

General: Boost Balance is neutral palette of softly textured porcelain stoneware tiles & slabs. Produced in an extensive range of formats, finishes and decors, this elegant take on honed concrete allows elegance and style to enter any residential, commercial and hospitality environment. Combined with other Boost collections, there is an endless choice of design options - be it for internal refined living or external landscape surfaces.

Applications: Suitable for all floor & wall applications, including kitchens, bathrooms, living areas, patios, balconies, landscape areas, foyers, food courts and heavy commercial traffic areas.
