

**General:** Inspired by Italian artisan tradition, Venexia reinterprets Terrazzo with new design and interesting aesthetics - creating both modern and retro environments. Venexia is a porcelain tile suitable for both indoor and outdoor applications, available in an array of sizes that allow for modular laying, as well as Matt & Grip finishes to create seamless indoor and outdoor ambiances. Also available in a 20mm paver for heavy duty or raised flooring external areas.

**Applications:** Commercial & residential in and out doors, including foyers, shopping centres, public areas, courtyards, living areas, patios, walls inside & out, step treads and pool surrounds, (with lamination and various edge detail finishes being achieved)
